We Connect With Global Consumer Trends & Market Growth Drivers

Fundamentals - We Are Building a More Sustainable Value Chain

Expand - Deliver Plant Derived Feedstock and Functional Materials

A man wearing a hat and a plaid shirt is walking away from the camera through a field. In the background, there are rows of plants with irrigation systems spraying water. The scene is set during sunset, with a warm, golden glow. A large white outline is superimposed over the image, framing the text.

Thank you

Jan Weernink – Global Category Director
